CreateSmart Initiative Guide

Chapter I INTRODUCTION

- 1.1 The Create Hong Kong (CreateHK) is established by the Government in June 2009, with the objectives to promote and speed up the development of creative industries in Hong Kong. CreateHK's vision is to build Hong Kong into a regional creative capital and to foster a conducive environment in Hong Kong to facilitate creative industries development.
- 1.2 In June 2009, the Government established the HK\$300 million CreateSmart Initiative (CSI) to provide financial support to initiatives for the development of creative industries in Hong Kong, alongside the DesignSmart Initiative (DSI) which supported design initiatives, and the Film Development Fund (FDF) and the Film Guarantee Fund (FGF) which supported film initiatives, established prior to June 2009.
- 1.3 To rationalise funding arrangements for the creative sector and enable resources to be used in a more co-ordinated manner, the CSI and the DSI were consolidated by phases commencing June 2011, and the DBCS was placed under the CSI with effect from 24 May 2013. Applications under the DBCS received on or after 24 May 2013 are funded under the CSI. The DBCS, while placed under the CSI, operates according to the CreateSmart Initiative Guide for Design-Business Collaboration Scheme (please refer to <http://www.design.csi.gov.hk>) and is not subject to the following chapters of the CreateSmart Initiative Guide.

- 1.4 CSI is administered by CreateHK of the Commerce and Economic Development Bureau (Communications and Creative Industries Branch) (CCIB) of the Government. Initiatives other than design-related ones are processed by the CreateSmart Initiative Secretariat of CreateHK. Design-related initiatives covered by CSI are processed by the CreateSmart Initiative (Design) Secretariat of CreateHK. CreateSmart Initiative Secretariat and CreateSmart Initiative (Design) Secretariat are hereunder collectively referred to as the “Secretariat”.
- 1.5 The Government will decide in its absolute discretion whether to approve the applications and disburse funds after having considered the recommendations from the CreateSmart Initiative Vetting Committee (CSI Vetting Committee), and the Secretariat. The DBCS applications are assessed by the Design-Business Collaboration Scheme Assessment Panel, separately from the other CSI applications which are assessed by the CSI Vetting Committee.
- 1.6 Applicants should note that applications may not be approved, and even if approved, the amount approved may be different from the one proposed in the application. Moreover, completion reports may not be accepted, and even if accepted, the approved amount may not be disbursed in full. Should the applicants choose to incur/commit any expenditure for the projects under application before funding approval is confirmed, they will have to bear their own risk and pay for the incurred/committed expenditure themselves in case their funding applications are rejected or only partially approved subsequently.

Chapter II OBJECTIVES

- 2.1 This guide provides information on the application for the Government funds under the CSI except for the DBCS.
- 2.2 This Guide shall not in any circumstances affect or limit the interpretation of the application form and unless the context otherwise requires, terms defined and expressions used in this Guide shall bear the meanings set out in the application form.
- 2.3 The CSI provides support to projects in the creative industries other than those for which dedicated Government funding schemes are already available. Such funding schemes include but are not limited to FDF (<http://www.fdc.gov.hk/en/services/services2.htm>), FGF (<http://www.fdc.gov.hk/en/services/services3.htm>), Innovation and Technology Fund (<http://www.itc.gov.hk/en/funding/itf.htm>), Arts Development Fund (Cultural Exchange Project) (http://www.hab.gov.hk/en/policy_responsibilities/arts_culture_recreation_and_sport/CulturalExchangeProject.htm) and Grants of Hong Kong Arts Development Council (<http://www.hkadc.org.hk/en/content/home.do>).
- 2.4 The CSI will fund projects with objectives that are in line with our strategic direction to drive the development of the creative industries, namely –
- (a) Nurturing a pool of creative human capital which will form the backbone of our creative economy;
 - (b) Facilitating start-ups and development of creative establishments;
 - (c) Generating demand for innovation and creativity and expanding local market size for creative industries;

- (d) Promoting creative industries on the Mainland and overseas to help explore outside markets;
- (e) Developing creative clusters in the territory to generate synergy and facilitate exchanges;
- (f) Fostering a creative atmosphere within the community; and
- (g) Promoting Hong Kong as Asia's creative capital.

Chapter III FUNDING SUPPORT

3.1 Form of Funding Support

- 3.1.1 Funding support is given by way of a grant. It will cover only the net approved project cost after deducting the expected income during the project period, the amount of sponsorship and/or funding from other sources for the project (if any).
- 3.1.2 The funding support will be disbursed by instalments, tying with appropriate milestones or any other conditions offered when the grant is approved.
- 3.1.3 Final instalment of the funding support will only be released upon the completion of the project and the Government is satisfied with the completion report (paragraph 9.1.3, 9.1.4) submitted by the project applicant.
- 3.1.4 For details about the disbursement of funding support, please refer to Chapter VII (Project Agreement and Disbursement of Funds) of this Guide.

Chapter IV ELIGIBILITY

- 4.1 Unless the Secretariat recommends to the Government that an exception be granted, an application must satisfy all requirements set out in paragraph 4.2 and 4.3.
- 4.2 Project duration is expected to be less than one year in general.
- 4.3 Eligible Applicant
- 4.3.1 An applicant should normally be a locally registered institution / organisation, which include the following: local academic institutes, industry support organizations, trade and industry associations, professional bodies, research institutes and companies ¹.
- 4.3.2 CreateHK and other Government departments are also eligible to apply.
- 4.3.3 Projects which are covered under the scope of FDF, FGF, and other dedicated Government funding schemes, and those which will receive or have received funding from other Government sources will NOT be considered.
- 4.3.4 Each application shall have only ONE applicant. However, the applicant is required to list out in the application all other parties (if any) that it will collaborate with in carrying out the proposed project and their respective roles or contribution.
- 4.3.5 The applicant should have a substantial connection to Hong Kong, i.e. it must have a significant proportion of its development, production,

¹ The applicant should be a body or company established or incorporated under the Hong Kong laws including the Companies Ordinance (Cap 32). Applicant may be required to produce valid evidence showing that it is a going concern.

management or general activities located in Hong Kong.

4.3.6 If the application is approved, the applicant will become the recipient of the funding support and has to sign an agreement with the Government. Please refer to Chapter IX (Obligations) of this Guide on the obligations of the project applicant.

4.4 Sponsorship (where applicable)

4.4.1 To demonstrate industry support to the project, the applicant is required to list out in the application the sponsorship that it would be able to secure for the project.

4.4.2 Sponsorship in kind can be provided in the form of donation of equipment and consumable that is exclusively used for carrying out the project. Discount in purchases, time cost of equipment, manpower costs and consultancy services would be excluded from such sponsorship.

4.4.3 All committed sponsorship should be received with evidence before issue of the last instalment of the funding support by the Government.

4.5 Double Subsidy

4.5.1 To avoid double subsidy, project elements which will receive or have received funding from other Government or known funding sources will not receive funding from the CSI. The applicant will not be eligible for funding from the CSI if other financial support (whether in the form of equity or loan financing, grant or sponsorship or any other form) has been granted for the same elements of the Project, unless the CSI Vetting Committee

recommends to the Government that an exception be granted. The following example can be considered as reference:

A project to be held at a venue under the auspices of the Leisure and Cultural Services Department (LCSD). LCSD has agreed to waive the cost of renting the venue.

The above example is used only for illustration purpose. The Government has no obligation to grant funding from the CSI to a project similar to the above example. It will depend on the unique circumstances of each application, which will be approved / rejected on a case-to-case basis.

- 10.1.3 For budget control purpose, the actual expenditure for any individual item may exceed at most 15% of the approved budgeted expenditure for that item if this does not result in any increase in the overall total approved project cost and in the total amount of CSI project funds approved and that all expenditure follows the relevant requirements set out in this Guide.

- 10.1.4 Justification is required to be disclosed for any spending in excess of the approved budget items in the relevant progress report, if applicable, and/or completion report. Notwithstanding this, prior written approval is required to be sought from the Secretariat if budgeted expenditure is to be

transferred to any unbudgeted expenditure item (e.g. new/alternative equipment item, new project staff, revised number/rank of the project staff, new/alternative consumable item.) The final decision on whether certain items of income and/or expenditure should/can be included/charged to a project vests with the Secretariat.

10.1.5 Failure to comply with the project proposal and the project agreement will entitle the Government to abstain from releasing the project funds to the project applicant.

10.2 Suspension or Termination of Funding Support

10.2.1 PSCCI reserves the right to cease to provide any further funding support if any event(s) of fault has occurred and the project applicant fails to remedy the event(s) of fault (paragraph 10.2.3 of the Guide) within a specified time limit.

10.2.2 The Secretariat reserves the right to terminate or suspend the funding support to a project and the project agreement by serving one month's notice to this effect at any time and demand immediate return of all or part of the disbursed project funds with interest to accrue in accordance with paragraph 10.3.2 and hold the project applicants liable for any loss or damages the Government may sustain if the project applicant is in breach of any of the terms and conditions of funding and undertakings made for the approved projects.

10.2.3 PSCCI reserves the right to suspend or terminate the funding support to a project and the project agreement for reasons including, but not limited to:

- (i) non-compliance with all or any of the terms and conditions as set up in the project

agreement; or

- (ii) lack of progress of the project in a material way; or

Such interest shall accrue on a daily basis and in a year of 365 days.

10.3.3 Any record of mishandling of public funds or lack of discipline in financial management or non-compliance with the terms and conditions of the project agreement or any other irregularity is a factor which the Secretariat or other Government departments or bureaux will take into account in considering future applications from the same applicant or the same project team members.
